Waste Reduction Tips

1. Take reusable shopping bags to the grocery store.
2. Backyard compost to eliminate food waste going to landfill.
3. Donate unwanted items to local charities.
4. Take a reusable mug with you to the coffee shop.
5. Make double-sided photocopies.
6. Use cloth rags, mops and napkins instead of disposables.
7. Know what items go into your blue recycling can.
8. Take a trashless lunch to work or school.
9. Buy in bulk to eliminate excess packaging.
10. Close the recycling loop - Buy recycled products.

We welcome additions, modifications and updates (909) 395-2040
