- B. The filing of the map shall constitute legal reversion to acreage of the land affected thereby, and shall also constitute abandonment of all streets and easements not shown on the parcel map. The filing of the map shall also constitute a merger of the separate parcels into one (1) parcel for the purposes of this chapter and the Subdivision Map Act and shall thereby be shown as such on the assessment roll subject to the provisions of Government Code Section 66445 of the State.
- C. Any unused fees or deposits previously made pursuant to this division pertaining to the property shall be credited pro rata towards any of the requirements for the same purposes, which are applicable at the time of re-subdivision. After approval of the merger and re-subdivision the map shall be delivered to the San

Bernardino County Recorder. The filing of the map shall constitute legal merger and re-subdivision of the land affected thereby, and shall also constitute abandonment of all streets and easements not shown on the map.
