- B. Where required by law, the City agrees, prior to implementation, to meet and confer with the Group over the impact of the exercise of a City right upon wages, hours, and other terms and conditions of employment of its members unless the impact consequences of the exercise of a management right upon the Group members is provided for in this MOU, Personnel Rules and Regulations, or Departmental Rules and Regulations.

- C. “At-Will” employees serve at the will and pleasure of the City Manager.

Section 5.03 - Transfer Request

- A. Purpose: To provide a fair and equitable means for employees to voluntarily change their work locations, and to establish the policy within which administrative transfers shall be accomplished.
- B. Policy:
1. Transfers will be considered with the employee's and the Department's best interests in mind.
 2. The Fire Chief maintains the authority to assign personnel in the best interest of the Fire Department.
 3. Chief Officer seniority will be the major criteria considered.
 4. All transfer requests shall be maintained by the Department's Fire Administration Office in the Master File Book, unless no qualified personnel have submitted a transfer for the vacancy.
 5. Regular, full-time employees who are temporarily transferred in order to facilitate probationary or administrative transfers shall have the opportunity to return to their previous assignment when the affected employee is transferred again, or within one year.
- C. Procedure:
1. Employees who wish to request a transfer shall complete an Employee Transfer Form. The employee will retain a copy and submit one copy of the form to the Department's Fire Administration Office.
 2. Upon receipt and filing of the transfer request in the Master File Book, the Department's Fire Administration Office shall return a copy of the request to the employee, indicating that the request is on file.
 3. Employees wishing to cancel a previous transfer request shall do so by memorandum, through channels, to the Department's Fire Administration Office.
 4. The memorandum shall be applied to the appropriate Transfer Request Form in the Master File Book.
 5. When a vacancy occurs, a notice shall be sent to all management personnel, announcing the opening and declaring the vacancy either open for bid or closed, including cause if closed. Such notice shall be for a period of 30 days, after which time the bidding will close and the most senior qualified member, subject to the stated administrative requirements, will be selected for transfer.

6. The notice of transfer of this member shall be sent to all management personnel within no less than 15 days nor more than 30 days, and the transfer of the member shall take place during this period. This notice of transfer of a member may include a position for bid or announce the closing of the position and the cause of the closing.
7. If notice of an opening has been sent to all management personnel for 30 days and no member has filed a request for transfer to the position, the first request received, thereafter, may be honored. 9. Employees may submit a transfer request for any authorized position.
10. If more than one request is filed by an employee, it shall be the responsibility of that employee to prioritize his/her choices in the space provided on the transfer request form for each request filed.
11. Transfer requests will be honored only after the employee has served at least one year since his/her last bid award or transfer. This requirement shall not apply to those who have been transferred by administrative direction rather than as a result of a transfer request.
12. All transfer requests for non-currently posted positions will expire December 31st of each year and will be purged from the Master File book the first working day in January. Transfer requests on file for currently posted positions will remain in the Master File Book into the New Year and will not be purged until the posting(s) have closed and the positions have been awarded.

Article 6: Personnel Files

- A. The official personnel files shall be located in the Human Resources Department. Personnel actions (i.e. discipline, promotions) will be based on documentation within such file.
- B. Employees have the right to have access to and copies of any document in their official personnel file. Employees may be charged for cost of duplication of any materials in the personnel file for which they request copies.
- C. An employee will be provided with an initial copy of any document which will be placed in the official personnel file. An employee shall have the right to respond in writing or personal interview to any information contained in his/her personnel file. Such a reply will remain in the personnel file so long as the referenced document is in the file.

Article 7: Disciplinary Procedure

- A. The following disciplinary procedure must be used for all serious disciplinary actions involving regular full-time employees **BEFORE** the actions go into effect. The disciplinary procedure provides that:
1. The employee shall receive advance notice of the proposed disciplinary action. Normally, one week for a one to three day suspension, and two weeks for all other disciplinary actions will be considered the minimum time necessary to give notice.
 2. The notice must contain the reasons and the charges upon which the proposed action is based.
 3. The notice must also contain a statement of the events or circumstances upon which the action is based.
 4. The employee must be given the materials, if any, upon which the action is based.
 5. The employee must be given the right, either orally or in writing, to respond to the department head or the City Manager (in the case of discharge) proposing the action. This procedure will be consistent with Sections 13.04 through 13.07 of the grievance procedure.
 6. This disciplinary procedure shall be used for all serious disciplinary actions which are normally considered (1) demotions, (2) discharges, (3) reductions in pay, and (4) suspensions.
- B. The above procedure may be deviated from in circumstances where there is a need for immediate disciplinary action. In such cases, an employee may be ordered off the job without pay if his/her conduct imperils the safety or welfare of the public, other employees, or said employee (i.e., drunkenness, violence, gross insubordination).
- C. Article 13, Section 13.07(L), describes the appeals procedure available for all serious disciplinary actions.

Article 8: Classifications

Section 8.01 - New Classifications

The City agrees to meet and confer with the Group representatives on any new classifications approved, which appropriately should be added to the unit covered by this MOU.

Article 9: Hours of Work

Section 9.01 - Work Schedules

Both parties agree that work will be scheduled as required in a manner most advantageous to the City and consistent with the public interest and the requirements of municipal government. It is understood that as members of management, employees within the unit may be called upon to provide services beyond prescribed hours and compensation.

Section 9.02 - 24-Hour Shift Personnel

- A. The compensation formula used to calculate rate of pay for Battalion Chiefs assigned to a 24-hour work shift schedule shall be that which is used for the majority of Fire Department 24-hour shift safety employees. This shall apply to regular scheduled hours and hours worked in excess of the regular scheduled hours. This provision will apply only to those employees who are assigned and work a 24-hour shift schedule.
- B. The average work period for shift employees is 53 hours per week for the purpose of calculating compensation (without loss of current compensation). Unit employees assigned to work the 24-hour work shift schedule shall begin at 0700 hours and terminate work at 0700 hours the following day. The City shall maintain the 56-hour shift schedule as it relates to days on/days off.

Section 9.03 - Management Incentive Pay

Group employees assigned to non-shift administrative positions shall receive 193 hours of management incentive credit each calendar year. Such credit shall not be available for use as time off and shall be paid as salary compensation at the employee's regular rate of pay in the second paycheck in November of each year. Group employees appointed or promoted to a Group non-shift assignment during the year shall receive a pro-rated amount of management incentive hours based on the portion of the calendar year that the employee serves in that non-shift assignment.

Article 10: Compensation

Section 10.01 - Salary

- A. Effective July 13, 2014, employees within the unit will receive a 5% increase in base salary.
- B. Effective July 12, 2015, employees within the unit will receive a 5% increase in base salary.
- C. Effective July 10, 2016, employees within the unit will receive a 5.5% increase in base salary.
- D. Effective July 9, 2017, employees within the unit will receive a 4% increase in base salary.

- E. Salaries for the classifications covered in this MOU shall be set forth in Appendix A.
- F. The City agrees to continue to maintain the relationship between the Fire Battalion Chief and Fire Captain at top step receiving paramedic skill compensation, plus any additional skill compensations or incentives, for the purpose of maintaining current base pay relationship between positions. The salary differential between classifications within the unit shall be maintained within the structure as of June 30, 2014. In January 2018, a review will be conducted to determine the relationship. The review will not obligate the City to any adjustment.

Section 10.02 - Professional Development Incentive

- A. Educational Incentive - Group employees may qualify for additional compensation to recognize their professional development under one of the subsections 10.02A(1) or 10.02A(2) below.
 - 1. Group employees who have in their possession or who later obtain a BA/BS Degree (from an accredited college or university) shall receive \$425 per month in addition to their base pay; or,
 - 2. Group employees who continue their professional development and successfully complete an acceptable number of courses from the National Fire Academy and/or the California Fire Service Academy, and/or the California Specialized Training Institute shall receive \$425 per month in addition to their base pay.

Section 10.03 - Longevity Pay

- A. Employees who begin the designated year of service, as a professional firefighter shall receive the corresponding longevity pay percentage calculated on their base pay.

Effective Date	Years of Service	Longevity Pay Percentage
January 2006	20	7.5%
	25	15%

Both parties agree that this benefit is not considered a vested right by current or future employees.

Article 11: Benefits

Section 11.01 - Active Employee Health Benefits

- A. For active employees, the City agrees to continue its Cafeteria Plan for medical, dental and vision insurance. The contribution rates are as follows:

1. Up to a maximum of 100% of the CalPERS medical average premium toward medical insurance premiums; and
 2. Up to a maximum of 100% of the employee and eligible dependent coverage for basic dental insurance premiums; and
 3. Up to a maximum of 100% of the employee and eligible dependent coverage for basic vision insurance premiums.
- B. The contribution rate is contingent upon the category of employee/dependent coverage. The rates will be adjusted the first paycheck in January of each year.
- C. The City agrees that at no time will the contribution, toward the medical premium rates in Section 11.01(A)(1) (“Employee Medical Benefit”), drop below the contribution that was in effect January 1, 2012. That contribution was \$544.69 for employee, \$1,079.24 for two-party, and \$1,398.68 for family coverage.
- D. The City shall increase or decrease the maximum monthly Employee Medical Benefit amounts for active employees to the average of the monthly premium amounts for the CalPERS (PEMHCA) Health Plans for the region that includes the City of Ontario. The current Employee Medical Benefit is as follows:

Medical Coverage	2014
Employee	\$544.69
Two-party	\$1,079.24
Family	\$1,398.68

The above amounts are the maximum monthly Employee Medical Benefit amounts toward medical insurance premiums for active employees for each coverage level. Active employees that select medical insurance plans for which the actual premium amounts are less than the maximum contributions shall not receive any remaining contribution amounts. Active employees who select medical insurance plans for which the actual monthly premium amount exceeds the maximum monthly employee medical benefit shall be required to contribute, through payroll deductions, the remaining premium amount due.

- E. The CalPERS (PEMHCA) minimum employer contribution is designated toward the medical premium portion of the Cafeteria Plan and shall be equal for active and retired employees. The maximum monthly Employee Medical Benefit Contribution includes the CalPERS (PEMHCA) minimum employer contribution.
- F. Employees must enroll in a City medical plan unless they provide proof of other group insurance coverage and meet any other requirements established by the insurance plan. Effective the first paycheck in January 2014, employees who waive medical coverage shall receive \$390 per month contributed to the Cafeteria Plan. The \$390 per month may be taken in cash and/or used to purchase other benefits in the Cafeteria Plan, including the “buy-up” plans for dental or vision insurance.

Section 11.02 - Eligibility

To be eligible in any particular pay period to receive the benefits of Section 11.01, employees must code at least 15 hours of paid time in the pay period. Paid time includes regular time and all types of paid leave, including 4850 time, sick, annual leave, compensatory time, holiday, bereavement, jury duty, personal, military, catastrophic and administrative leave. Paid time

excludes disability payments (including Total Temporary Disability, Short-Term and Long-Term Disability) and periodic special pays such as uniform allowance. If employees are not eligible to receive the contributions pursuant to Section 11.01, they may still maintain benefit coverages at their own expense.

Section 11.03 - Retiree Medical Benefit for Employees Appointed to a Regular Sworn Position prior to July 1, 2012 (Tier 1)

- A. **Definition of Retiree.** All unit employees who retire from the City and qualify as an “annuitant” under Government Code Section 22760 shall be eligible for retiree medical benefits under the terms and conditions set forth herein. The terms retiree and annuitant shall mean the same thing pursuant to this section.
- B. **Definition of Tier 1.** Tier 1 is the Retiree Medical Benefit for active and retired employees appointed to a regular sworn position prior to July 1, 2012. Employees originally hired prior to July 1, 2012 who then leave City employment and are subsequently re-hired are eligible for Tier 1 benefits provided their re-hire date is within 12 months of the date they separated from the City. Employees re-hired after the 12 month period will receive Tier 2 retiree medical benefits even if they are eligible to retain the CalPERS 3% at 50 retirement formula.
- C. **Vested Benefits for Tier 1.** The City agrees that Tier 1 employees and retirees have a vested benefit to retiree medical contributions. These Retiree Medical Benefits herein set forth are permanently and irrevocably vested for Tier 1 employees. Specifically, the vested benefit is the value of the actual premium cost for the plan and coverage level selected, up to a maximum of 100% of the medical average premium rates for the CalPERS (PEMHCA) Health Plans for the region that includes the City of Ontario. The current Retiree Medical Benefit for Tier 1 employees is listed in Section 11.01.
- D. **Tier 1 Retiree Medical Benefits**
1. Tier 1 retirees who enroll in the CalPERS (PEMHCA) Health Plans shall be eligible to receive the CalPERS (PEMHCA) minimum employer contribution toward their medical plan. Retirees who opt out of enrollment will not receive the CalPERS (PEMHCA) minimum employer contribution.
 2. For Tier 1 retirees who enroll in the CalPERS (PEMHCA) Health Plans, the City will also contribute directly to the retiree the balance of the cost of the Retiree Medical Benefit consistent with the value of the vested benefit for Tier 1 employees. The vested benefit is the value of the actual premium cost for the plan and coverage level selected, up to a maximum of 100% of the medical average premium rates for the CalPERS (PEMHCA) Health Plans for the region that includes the City of Ontario. The maximum monthly Retiree Medical Benefit Contribution includes the CalPERS (PEMHCA) minimum employer contribution. To the extent permitted by the IRS, this contribution shall be made on a pre-tax basis.

E. Medicare Reimbursement

1. A retiree who is eligible for Medicare coverage must enroll in Medicare Parts A and B and select a supplemental health benefits program to receive the Tier 1 Retiree Medical Benefits.
2. The Tier 1 Retiree Medical Benefit shall equal the actual cost of the selected supplemental benefits program (for the retiree plus dependents) up to the maximum of the Tier 1 Retiree Medical Benefit in Section 11.03. For retirees who select a supplemental benefits program that costs less than the maximum monthly Tier 1 Retiree Medical Benefit, the City will pay to the retiree the monthly cost of enrolling in Medicare Parts A and B, not to exceed the maximum monthly Tier 1 Retiree Medical Benefit.
3. The Medicare Reimbursement shall be paid to all retirees who are enrolled in Medicare effective January of that year. To the extent permitted by the IRS, the contribution shall be made on a pre-tax basis.
4. Examples of how the Medicare Reimbursement is calculated are as follows:

Example A: Reimbursement amount is less than retiree Medicare premiums for a Tier 1 retiree.

Description	Monthly Amount
CalPERS (PEMHCA) minimum employer contribution	\$112
Balance of the Tier 1 Retiree Medical Benefit	\$1286
Total Tier 1 Retiree Medical Benefit	\$1398
Supplemental Plan	\$1323
Difference	\$75
Medicare Premiums	\$99.99
City's Medicare Reimbursement to Retiree	\$75

The City will pay the full cost of the supplemental plan, plus reimburse to the retiree an annual payment of \$900 (\$75/mo x 12) to be applied to the Medicare premiums.

Example B: Reimbursement amount is same as retiree Medicare premiums for a Tier 1 retiree.

Description	Monthly Amount
CalPERS (PEMHCA) minimum employer contribution	\$112
Balance of the Tier 1 Retiree Medical Benefit	\$1286
Total Tier 1 Retiree Medical Benefit	\$1398
Supplemental Plan	\$1210
Difference	\$188
Medicare Premiums	\$99.99
City's Medicare Reimbursement to Retiree	\$99.99

The City will pay the full cost of the supplemental plan, plus reimburse to the retiree an annual payment of \$1,199.88 (\$99.99/mo x 12) to be applied to the Medicare Premiums.

Section 11.04 - Retiree Medical Employee Benefit for Employees Appointed to a Regular Sworn Position On or After July 1, 2012 (Tier 2)

- A. **Definition of Retiree.** All unit employees who retire from the City and qualify as an “annuitant” under Government Code Section 22760 shall be eligible for retiree health insurance under the terms and conditions set forth herein. The terms retiree and annuitant shall mean the same thing pursuant to this section.
- B. **Definition of Tier 2.** Tier 2 is the Retiree Medical Benefit provision for employees appointed to a regular sworn position on or after July 1, 2012.
- C. **Tier 2 Retiree Medical Benefits.** Tier 2 retirees who enroll in the CalPERS (PEMHCA) Health Plans shall be eligible to receive the CalPERS (PEMHCA) minimum employer contribution toward their medical premium. Retirees who opt out of enrollment in the CalPERS (PEMHCA) Health Plans will not receive the CalPERS (PEMHCA) minimum employer contribution.
- D. **Tier 2 Retiree Medical Savings Plan**
1. For Tier 2 employees, the City shall contribute \$750 per month (pre-tax) to a Retiree Medical Savings Plan (specifics to be determined at a later date) for the purpose of providing a savings plan for each employee to purchase medical insurance upon retirement. The City agrees that at no time will the contribution, toward the Retiree Medical Savings Plan for Tier 2 employees, drop below the contribution that was in effect July 1, 2012.
 2. The \$750 monthly payment shall be made while the employee is in active status and will be paid over 24 pay periods (excluding “free” pay periods) per year. To be eligible to receive the payment in any particular pay period, the employee must code at least 15 hours of paid time in the pay period. Paid time includes regular time and all types of paid leave, including 4850 time, sick, annual leave, compensatory time, holiday, bereavement, jury duty, personal, military, catastrophic and administrative leave. Paid time excludes disability payments (including Total Temporary Disability, Short-Term and Long-Term Disability) and periodic special pays such as uniform allowance.
 3. The administration of the Retiree Medical Savings Plan will be decided upon and agreed to in a separate agreement. If the Association administers the Retiree Medical Savings Plan, the Association and its employees shall enter into an agreement with the City that releases the City from liability and indemnifies the City from any claims resulting from the administration of the Retiree Medical Savings Plan.

E. Medicare

1. A retiree who is eligible for Medicare coverage must enroll in Medicare Parts A and B and select a supplemental health benefits program to receive the CalPERS (PEMHCA) minimum employer contribution.
2. The City shall contribute the actual cost of the selected supplemental benefits program for the level of coverage selected up to the maximum of the CalPERS (PEMHCA) minimum employer contribution.

F. Transition

1. The parties acknowledge that it will take some administrative actions to implement the retiree medical provisions agreed to in this Article.
2. If the Retiree Medical Savings Plan is not established by the date a Tier 2 employee is hired, the contributions owed to the employee will be held for the employee. When the Retiree Medical Savings Plan is established, all contributions owed will be deposited into the account on a pre-tax basis to the extent permitted by the IRS. If the employee separates employment prior to the Retiree Medical Savings Plan being established, any accumulated contributions shall be paid to the employee in taxable cash.
3. If for some reason all necessary actions have not been completed prior to the date a Tier 2 employee retires, which could result in the employee receiving the Tier 1 retiree medical amount instead of the CalPERS (PEMHCA) minimum employer contribution, the necessary actions will be completed as soon as possible and the employee will then begin receiving the CalPERS (PEMHCA) minimum employer contribution.

Section 11.05 - Insurance Committee

The City agrees to continue the Insurance Committee which will have a representative designated by the Group as one of its members. This Committee shall have the responsibility to review the Dental and Vision insurance programs and to represent an employee who has a question to the company. The Committee shall be composed of one representative from each of the recognized employee units and one representative appointed by the City Manager. The Deputy City Manager shall be an ex-officio member of this committee and entitled to attend all meetings. The Committee or any of its members may invite other individuals to participate as resource people whenever the need arises and prior notification is provided to the committee chair.

Section 11.06 - Life Insurance

The City will provide life and accidental death and dismemberment insurance providing \$135,000 for Fire Battalion Chiefs and \$140,000 for Deputy Fire Chiefs and Senior Deputy Fire Chiefs. Employees currently certified as a Bomb Technician and assigned to the Bomb Squad shall be provided an additional \$50,000 in accidental death and dismemberment insurance benefits. The cost of the additional insurance benefits shall be paid by the City.

Section 11.07 - Deferred Compensation

- A. Active employees may voluntarily contribute to the City's 457 deferred compensation plan in accordance with plan provisions.
- B. The City will contribute the following monthly amount to the 457 plan as follows:

Effective Date	Senior Deputy Fire Chief & Deputy Fire Chief	Fire Battalion Chief

Strict application of seniority shall prevail unless exceptional circumstances occur of which the concerned employee organization shall be fully apprized in advance. The order of layoff shall be:
1. Temporary employees in the affected classification shall be removed first.
 2. Probationary employees in the affected classification shall be removed next.

The employee with the least displacement seniority shall be displaced by the person scheduled for layoff. The employee displaced shall be considered as laid off for the same reason as the person who displaced him/her, and shall in the same manner, be eligible to displace to a position in a classification in which he/she formerly held a regular appointment and is qualified by education and experience, and is capable of performing the duties of the classification.

- E. Failure to return to work from layoff within 14 calendar days, after notice to return by certified or registered mail to the employee at his/her last known address on file with the City Human Resources Department or by personal delivery shall constitute the employee's waiver to return to work and eliminates any future re-employment responsibilities placed on the City.
